## CHAIRMAN'S LETTER

6 September 2018

Dear Shareholder

### IKEGPS EQUITY RAISING TO SUPPORT GROWTH

On behalf of the directors of ikeGPS I am pleased to offer you the opportunity to participate in our SPP. Eligible Shareholders have the opportunity to acquire additional shares for \$0.52, without incurring brokerage or other transaction costs.

The SPP is part of ikeGPS's equity raising initiative announced on 24 August 2018. ikeGPS is raising up to \$1.25 million through this SPP, which is in addition to the \$5 million already raised by ikeGPS under the underwritten Placement.

The successful Placement supports the growth plans of ikeGPS and the potential for our solution addressing the communications and electric utility market in North America. The equity raised under the Placement and SPP will bolster ikeGPS' working capital position for a number of potentially significant IKE Analyze contracts that the business is targeting or in the initial stages of delivering, to support the lumpy sales cycles associated with our core business selling IKE4 systems, and enable investment into additional sales and support processes to execute on IKE Analyze opportunities. As noted in the presentation released on 24 August 2018, the new IKE Analyze product has a higher initial working capital requirement than the historical business model but provides substantially higher potential revenue amounts (and absolute margin) per customer or project. A stronger balance sheet is also important for some of the large infrastructure business that ikeGPS is selling to or is targeting, given that ikeGPS hosts their critical infrastructure data and asset records.

As outlined in our latest annual report, FY2018 was a positive period for the company with significant growth and improvement across key financial metrics. We feel that we have continued this momentum into FY2019, with trading for the first quarter of FY2019 showing revenue growth of 48% against the prior calendar period. While ikeGPS continues to face the risks typical of a company seeking to disrupt a conservative market with a new and high-technology offering, the Board and management team are optimistic about the outlook for ikeGPS as it takes further steps in its pursuit to become the pole record standard.

### SHARE PURCHASE PLAN

The SPP is available to all Eligible Shareholders on equal terms. It gives all Eligible Shareholders the opportunity to invest up to \$15,000 in new Shares with a minimum application of \$1,000.

The issue price per share is \$0.52 - the same price as shares issued to investors under the Placement.

### The SPP is intended to close at 5.00pm on 24 September 2018.

To apply for your new Shares, you should complete and return the enclosed Application Form with accompanying payment allowing sufficient time for it to be received by 5:00pm, 24 September 2018. The correct way to complete and send your Application Form and application monies is set out on the Application Form accompanying the SPP booklet.

Further details about the SPP are included in this booklet. While participation in the SPP is optional, if Eligible Shareholders choose not to take up their entitlement via the SPP their shareholdings will be diluted.

On behalf of the Board, I would like to thank you for your continued support. We look forward to continuing this journey with you as we pursue the next phase of growth.

# QUESTIONS AND ANSWERS

## 1 What is the Share Purchase Plan (SPP)?

The SPP allows Eligible Shareholders to purchase up to \$15,000 worth of additional Shares in ikeGPS without incurring brokerage or other transaction costs.

All Shares issued under the SPP will be of the same class as, and rank equally with, all Shares in ikeGPS currently on issue. It is a term of the SPP that ikeGPS will take any necessary steps to ensure that the Shares are, immediately after issue, quoted on the NZX Main Board.

## 2 Am I eligible to participate?

You are eligible to participate in the SPP if:

- you were registered as an ikeGPS shareholder at 5:00pm on 5 September 2018 (being the Record Date); and
- your registered address is in New Zealand, provided that you do not hold Shares on behalf of another person who resides outside New Zealand.

For the avoidance of doubt, no U.S. person or person acting on behalf of a U.S. person may participate in the SPP.

If you are a Custodian, or you hold shares through a Custodian, please read clause 3 of the Terms and Conditions.

## 3 How many Shares can I purchase?

If you apply for Shares under the SPP, you will apply for a dollar amount rather than a number of Shares. Eligible Shareholders may apply for up to \$15,000 of Shares under the SPP, in amounts of \$1,000, \$2,500, \$5,000, \$7,500, \$10,000, \$12,500 and \$15,000. Applications which are not for one of these denominations may not be accepted by ikeGPS.

ikeGPS may need to scale your application back if the total value of valid applications exceeds \$1.25 million (see clause 8 of the Terms and Conditions).

## 4 What is the Issue Price of the Shares?

The price of the Shares to be issued under the SPP is \$0.52 per Share, being the same price paid by investors in the Placement.

## 5 Are there any conditions to the SPP?

No. However, if the SPP is cancelled for any reason, all application monies will be returned to applicants and no Shares will be allotted under the SPP. No interest will be payable on any monies returned to applicants.

## 6 What if I own Shares through a trustee or custodian or own Shares in more than one capacity?

If you own Shares through a trustee or custodian, then, subject to certain certification requirements and other conditions, you may instruct the trustee or custodian to purchase Shares on your behalf, up to the \$15,000 limit. If you own Shares through a trustee or custodian and also own Shares in your own name, then you may either purchase Shares yourself or instruct your trustee or custodian to purchase Shares on your behalf. You may not do both.

If you receive more than one copy of this SPP booklet, or if you hold Shares in more than one capacity (e.g. because you are both a sole and joint holder of Shares) you may only purchase Shares in all capacities up to the \$15,000 limit. By applying to purchase Shares under the SPP, you certify and represent that you have not exceeded that limit.

## 7 Do I have to participate?

No. Participation in the SPP is entirely voluntary. There is a risk that your shareholding in ikeGPS may be diluted if you do not participate in the SPP. If you do not wish to participate in the SPP, do nothing.

## 8 Is this offer transferable to another person?

No. This offer is personal to you and you may not transfer your right to purchase Shares under the SPP to anyone else.

## 9 What are the risks to investing in the SPP?

The market price of Shares may rise or fall between the date of this offer and the date when Shares are allotted to you. As a result, the price to be paid for the Shares to be issued under the SPP may be higher or lower than the price at which Shares are trading on the NZX Main Board at the time the Shares are issued under the SPP.

There is no certainty that Shares will trade at or above the Issue Price following the issue of Shares under the SPP. Therefore, you should seek your own financial advice in relation to this offer and your participation under the SPP.

Further information about ikeGPS, including its most recent financial statements, can be obtained from ikeGPS's website: <http://ikegps.com/investors/>. You are also recommended to monitor ikeGPS's market announcements through the NZX website: [www.nzx.com](http://www.nzx.com).

## 10 What is the current Share price?

The current price of ikeGPS's shares is quoted on the NZX website: [www.nzx.com](http://www.nzx.com) and the ASX website: [www.asx.com.au](http://www.asx.com.au).

## 11 How do I apply for Shares under the SPP?

Follow the step-by-step instructions set out on the enclosed personalised Application Form. Send your completed Application Form with your payment by cheque or direct debit as set out in the instructions on the Application Form.

If the exact amount of money is not tendered, ikeGPS reserves the rights not to accept all or part of your payment. In those circumstances, ikeGPS will return your application and cheque or refund all or part of your payment (without interest).

**Once submitted, you will not be able to withdraw or revoke your application.**

## 12 How long is the SPP open and when will I receive my Shares?

The SPP opens on 6 September 2018 and is expected to close at 5.00pm on 24 September 2018, unless extended. If you want to participate you should ensure your Application Form and payment (by cheque or direct debit) is received by 5.00pm on the Closing Date.

**Please allow adequate time for mail deliveries. Applications received after this time may not be accepted.**

You will receive Shares issued to you under the SPP on the Allotment Date, which is currently expected to be 1 October 2018. A statement confirming the number of Shares issued to you under the SPP will be sent to you no later than 5 Business Days after the Allotment Date.

ikeGPS may, subject to the Listing Rules and applicable laws, extend the Closing Date and the Allotment Date.

## 13 How many Shares will I receive?

Subject to scaling, you will receive the number of Shares equal to the dollar amount of Shares you have applied for divided by the Issue Price. If, once divided by the Issue Price, the dollar amount of Shares you have applied for does not equal a whole number of Shares, the number of Shares allotted to you will be rounded up to the nearest Share.

If ikeGPS receives applications for Shares in excess of \$1.25 million, it will scale back the number of Shares to be allotted to each applicant under the SPP in proportion to the shareholding of each applicant at 5.00 pm on the Record Date (see clause 8 of the Terms and Conditions).

## 14 Will the Shares be quoted?

The Shares will be quoted on the NZX Main Board and the ASX. The NZX Main Board is a licensed market operated by NZX Limited, which is a licensed market operator regulated under the Financial Markets Conduct Act 2013. However, NZX and ASX accept no responsibility for any statement in this SPP booklet.

It is expected that you will be able to commence trading the Shares allotted to you under the SPP on the NZX Main Board and the ASX on the Allotment Date.

## 15 Why is there a maximum application amount of \$15,000?

The offer under the SPP needs to comply with the conditions imposed by Listing Rule 7.3.4(c) which caps the maximum application amount of each Eligible Shareholder at \$15,000.

## 16 Why are shareholders outside New Zealand not eligible to participate in the SPP?

Shareholders outside of New Zealand are not eligible to participate in the SPP because of legal limitations in countries outside of New Zealand, the relatively small number of shareholders in other jurisdictions and the potential cost to ikeGPS of complying with the regulatory requirements in countries outside of New Zealand. ikeGPS has determined, pursuant to the Listing Rules, that it would be unduly onerous to extend the offer of Shares under the SPP to shareholder outside of New Zealand.

## 17 If I choose not to participate will my shareholding be diluted?

Participation in the SPP is optional, but if Eligible Shareholders choose not to participate in the SPP their shareholdings will be diluted.

## 18 What is ikeGPS's dividend policy?

As part of ikeGPS's growth plans, dividends are not currently paid. The Board did not declare any dividends in respect of the period ending 31 March 2018 and does not expect to declare any dividends during the period ending 31 March 2019.

# TERMS AND CONDITIONS

## 1 Eligible Shareholders

- 1.1 You may participate in the SPP if you are an Eligible Shareholder.
- 1.2 Joint holders of Shares are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and the certification on the Application Form is taken to have been given by all of them.
- 1.3 If you are an Eligible Shareholder, your rights under this offer are personal to you and non-renounceable, so you may not transfer them.

## 2 Issue Price and Number of Shares

- 2.1 The price of the Shares to be issued under the SPP is \$0.52 per Share (being the price paid by investors in the Placement). Purchases of part shares will be rounded up to the nearest share.
- 2.2 Subject to clause 3.2, if you are an Eligible Shareholder you may apply to purchase \$1,000 (1,923 Shares), \$2,500 (4,808 Shares), \$5,000 (9,615 Shares), \$7,500 (14,423 Shares), \$10,000 (19,231 Shares), \$12,500 (24,038 Shares) or \$15,000 (28,846 Shares) under the SPP by selecting the desired amount on the Application Form. Applications which are not for one of these denominations may not be accepted by ikeGPS or may be treated as an application for next lowest valid denomination.
- 2.3 Eligible Shareholders may only apply for a maximum of \$15,000 under the SPP and may only make one application. This applies to all Eligible Shareholders, including those who receive more than one offer under the SPP (for example, because they hold Shares in more than one capacity) and whether the Eligible Shareholder is applying through a Custodian or on his or her own behalf. Any application in excess of \$15,000 will be deemed to be an application for \$15,000 in which case the excess amount will be refunded without interest.

## 3 Custodians

- 3.1 Any Eligible Shareholder that:
  - (a) is a trustee corporation or a nominee company and holds Shares in ikeGPS by reason only of acting for another person in the ordinary course of business of that trustee corporation or nominee company; or
  - (b) holds Shares in ikeGPS by reason only of being a bare trustee of a trust to which the Shares are subject,
 is a custodian (**Custodian**) under the SPP.
- 3.2 Custodians may apply to purchase Shares for greater than \$15,000 under this SPP but only up to the total value of Shares applied for on behalf of each beneficial owner in New Zealand for whom the Custodian acts as a Custodian. Custodians must confirm to ikeGPS that they are holding Shares as a Custodian for that beneficial owner by providing the written certification to ikeGPS described in clause 3.3 below. Each beneficial owner may only direct the Custodian to apply on behalf of that beneficial owner for one of the parcels described in clause 2.2.
- 3.3 If a Custodian applies to purchase Shares on behalf of one or more beneficial owners, the Custodian must certify to ikeGPS in writing by validly completing the Application Form:
  - (a) that the Custodian holds Shares directly or indirectly as a Custodian for beneficial owners;
  - (b) the number of those beneficial owners;
  - (c) in respect of each of the beneficial owners, how many Shares the beneficial owner or the beneficial owner's agent has instructed the Custodian to accept on behalf of that beneficial owner; and
  - (d) that the Custodian undertakes not to accept on behalf of any of those beneficial owners for which it acts directly or indirectly as Custodian Shares the total issue price of which is more than \$15,000.

#### 4 Completing the Application Form and paying for Shares

If you wish to participate in the SPP, you must complete the Application Form and provide a cheque, or pay by direct debit, for the parcel of Shares you have selected in accordance with the instructions on the Application Form. Cheques must be drawn on a New Zealand bank account.

#### 5 ikeGPS's discretion to accept or reject applications

**5.1** ikeGPS has complete discretion to accept or reject your application to purchase Shares under the SPP, including (without limitation) if:

- (a) your Application Form is incorrectly completed, incomplete or otherwise determined by ikeGPS to be invalid;
- (b) your cheque is dishonoured or has not been completed correctly;
- (c) you enclosed a cheque with your Application Form that is not made out in New Zealand dollars for the exact amount of the parcel that you have selected on the Application Form;
- (d) your direct debit credit payment is not cleared, is reversed or is not for the exact amount of the parcel value that you have selected in the Application Form;
- (e) it appears that you are applying to buy more than \$15,000 (in aggregate) of Shares under the SPP (except if you are a Custodian applying on behalf of more than one beneficial owner in accordance with clause 3.2);
- (f) your Application Form is received after the Closing Date. While ikeGPS has discretion to accept late Application Forms and cheques, there is no assurance that it will do so. Late Application Forms and cheques, if not processed, will be returned to you at your registered address within 5 Business Days of the Allotment Date or within 5 Business Days of the date of receipt in respect of any late applications received after the Allotment Date;

- (g) ikeGPS believes that you are not an Eligible Shareholder or Custodian; or
- (h) ikeGPS considers that your application does not otherwise comply with these Terms and Conditions.

**5.2** No interest will be paid on any application monies returned to you. Any refunds for whatever reason will be paid to you either by direct credit to your bank account (if those details are held by the Share Registrar) or by cheque mailed within 5 Business Days of the Allotment Date.

#### 6 Significance of sending in an application

- 6.1** If you apply to purchase Shares under the SPP by completing and returning the Application Form:
- (a) your application, on these Terms and Conditions, will be irrevocable and unconditional (i.e. it cannot be withdrawn);
  - (b) you certify to ikeGPS that you are an Eligible Shareholder entitled to apply for Shares under these Terms and Conditions;
  - (c) ikeGPS may amend, vary, suspend, withdraw or terminate the SPP in accordance with clause 1010;
  - (d) you certify that your acceptance of the SPP will not be, or cause, a breach of any law in any jurisdiction;
  - (e) you certify to ikeGPS that you are not applying for Shares under the SPP with an aggregate application amount in excess of \$15,000 (including any application made through a Custodian) even though you may have received more than one offer under the SPP or received offers in more than one capacity under the SPP;
  - (f) you authorise ikeGPS (and its officers or agents) to correct any error in, or omission from, your Application Form and to complete the Application Form by the insertion of any missing details;

- (g) you acknowledge that ikeGPS may at any time irrevocably determine that your Application Form is valid, in accordance with these Terms and Conditions, even if the Application Form is incomplete, contains errors or is otherwise defective;
- (h) you accept the risk associated with any refund that may be despatched to you by cheque to your address shown on ikeGPS's share register;
- (i) you agree to indemnify ikeGPS for, and to pay to ikeGPS within 5 Business Days of demand, any dishonour fees or other costs ikeGPS may incur in presenting a cheque for payment which is dishonoured;
- (j) you acknowledge that none of ikeGPS, its advisors or agents has provided you with investment advice or financial product advice, and that none of them has an obligation to provide advice concerning your decision to apply for and purchase Shares under the SPP;
- (k) you acknowledge the risk that the market price for the shares may change between the date of this offer and the Allotment Date. A change in market price during this period may affect the value of the Shares you received under the SPP;
- (l) you irrevocably and unconditionally agree to these Terms and Conditions.

**6.2** If a Custodian applies to purchase Shares under the SPP for a beneficial owner pursuant to clause 3.2, the certification referred to in clause 6.1(e) will be taken to be given by the beneficial owner on whose behalf the Custodian is applying to purchase Shares.

#### 7 Issue Price

You agree to pay the Issue Price per Share up to the maximum amount you have selected on the Application Form.

#### 8 Scaling

- 8.1** If ikeGPS receives applications in excess of \$1.25 million, it will scale back all applications on a proportionate basis having regard to the size of existing shareholdings at the Record Date, and the number of Shares you receive will be determined by dividing the dollar amount of the Shares you have applied for (as scaled back) by the Issue Price. If this produces a fractional number, the number of Shares you will be allotted will be rounded up to the nearest whole number of Shares.
- 8.2** If your application is scaled, your application monies will be greater than the value of the Shares you will be allotted. The difference will be refunded to you either by direct credit to your bank account (if those details are held by the Share Registrar) or by cheque mailed within 5 Business Days of the Allotment Date. No interest will be paid on any application monies returned to you.

#### 9 The Shares

- 9.1** Shares issued under the SPP will rank equally with, and have the same voting rights, dividend rights and other entitlements as, existing fully paid Shares in ikeGPS quoted on the NZX Main Board and the ASX.
- 9.2** The Shares have been accepted for quotation on the NZX Main Board, which is a licensed market operated by NZX Limited, which is a licensed market operator regulated under the Financial Markets Conduct Act 2013. However, NZX accepts no responsibility for any statement in this SPP booklet.
- 9.3** You cannot trade in any Shares issued to you pursuant to the SPP, either as principal or agent, until quotation on the NZX Main Board in accordance with the Listing Rules. ikeGPS expects that the Shares will commence trading on the NZX Main Board and the ASX on the Allotment Date.

## 10 Amendments to the SPP and waiver of compliance

**10.1** Notwithstanding any other term or condition of the SPP and/or the Application Form, ikeGPS may, at its discretion:

- (a) make non-material modifications to the SPP on such terms and conditions it thinks fit (in which event applications for Shares under the SPP will remain binding on the applicant notwithstanding such modification and irrespective of whether an Application Form was received by the Share Registrar before or after such modification is made); and/or
- (b) suspend or terminate the SPP at any time prior to the issue of the Shares under the SPP (including by reviewing the timetable for the SPP). If the SPP is terminated, application monies will be refunded to applicants without interest within 5 Business Days of termination.

**10.2** ikeGPS reserves the right to waive compliance with any provision of these Terms and Conditions.

**10.3** ikeGPS will notify NZX of any waiver, amendment, variation, suspension, withdrawal or termination of the SPP.

## 11 Governing Law

These Terms and Conditions shall be governed by and construed in accordance with the laws of New Zealand.

## 12 Dispute Resolution

If any dispute arises in connection with the SPP, ikeGPS may settle it in any manner it thinks fit. It may do so generally or in relation to any particular shareholder, applicant, application or Share. ikeGPS's decision will be final and binding.

## 13 Inconsistency

Unless otherwise determined by the directors of ikeGPS, in the event of any inconsistency between the Terms and Conditions of the SPP and:

- (a) the accompanying letter from the Chairman of ikeGPS and Questions and Answers, the Terms and Conditions take precedence; and
