# Letter from the Chair

---

1 October 2019

---

Dear Shareholder,

On behalf of the directors of IKE I am pleased to offer you the opportunity to participate in the Retail Offer. Under the Retail Offer, Eligible Shareholders have the right to acquire up to \$50,000 of additional shares at an issue price of \$0.60, (the same price as the Placement) without incurring brokerage or other transaction costs.

IKE is undertaking this Retail Offer following the recently completed \$5m underwritten placement to support the entry into an agreement to acquire certain assets of PowerLine Technology Inc. (PLT) and to fund the continued implementation of our growth strategy.

## Summary of the PLT acquisition

United States based PLT is a developer of engineering software for the electric utilities sector. PLT's flagship product, PoleForeman, is a leading pole loading analysis software solution used in the North American market and is highly complementary with our leading product, IKE Analyze.

PLT has been an IKE partner for several years and this acquisition represents a strategic extension to the IKE Analyze platform. The combination of these two products will enhance IKE's go-to-market proposition and provide opportunity to cross-sell IKE products to a wider customer base.

The acquisition price of US\$3.4m includes an US\$0.9m earn out component linked to the founder of PLT remaining employed at IKE. The acquisition is profitable and expected to be immediately cash flow accretive.

## Equity raising

The Retail Offer is open to all IKE shareholders with a registered address in New Zealand. To apply for your new Shares, you should complete and return the enclosed Application Form with accompanying payment allowing sufficient time for it to be received by 5:00pm, 17 October 2019. The correct way to complete and send your Application Form and application monies is set out on the Application Form accompanying this Offer Document.

Further details about the Retail Offer are included in this Offer Document. While participation in the Retail Offer is optional, if Eligible Shareholders choose not to take up their entitlement via the Retail Offer their shareholdings will be diluted.

On behalf of the Board, I would like to thank you for your continued support. We look forward to continuing this journey with you as we pursue the next phase of growth.

Yours sincerely,

**Rick Christie**

Chairman  
IKE GPS Group

You may not do both.

If you are a Custodian, or hold shares through a Custodian, please refer to clause 3 of the terms and conditions.

## 12. Is this offer transferable to another person?

No. This offer is personal to you and you may not transfer your right to purchase New Shares under the Offer to anyone else.

## 13. Will the New Shares be quoted?

Yes, the New Shares will be quoted on the NZX Main Board and the ASX. ikeGPS will take any necessary steps to ensure that the New Shares are, immediately after issue, quoted on the NZX Main Board and the ASX. The NZX Main Board is a licensed market operated by NZX Limited which is a licensed market operator regulated under the Financial Markets Conduct Act 2013. The ASX is a licensed market under the Corporations Act 2001 (Cth). NZX and ASX accept no responsibility for any statements in this document.

It is expected that you will be able to commence trading the New Shares allotted to you under the Offer on the NZX Main Board and the ASX on the Allotment Date (being 23 October 2019, unless extended).

## 14. If I choose not to participate in the Offer will my shareholding be diluted?

If you do not participate in the Offer, your shareholding in ikeGPS will be diluted. This is in addition to the dilution in your shareholding that will result from the issue of \$5 million of new Shares under the Placement (if you did not participate in the Placement, which was reserved for selected investors).

Noting the dilutive effect of the Placement on those Shareholders who were not invited to participate in the Placement, ikeGPS has attempted to make the Offer as fair as possible for Eligible Shareholders by:

- + Increasing the individual application cap from the typical \$15,000 to \$50,000; and
- + if scaling is required, scaling back applications by reference to the holdings of Shareholders immediately prior to the announcement of the Placement on 27 September 2019 and the level of participation by Shareholders in the Placement.

Whether your shareholding percentage in ikeGPS increases or decreases will depend on the amount of New Shares you apply for, how many Shares you hold on the Record Date and Closing Date, and how many New Shares other Eligible Shareholders apply for and are allotted under the Offer.

## 15. What is ikeGPS's dividend policy?

As part of ikeGPS's growth plans, dividends are not currently paid. The Board did not declare any dividends in respect of the period ending 31 March 2019 and does not expect to declare any dividends during the period ending 31 March 2020.

## 16. Why are not all shareholders eligible to participate in the Offer?

ikeGPS considers that the legal requirements of jurisdictions other than New Zealand are such that it would be unduly onerous for ikeGPS to make the Offer in those jurisdictions. This decision was made having regard to the small number of Shareholders in such overseas jurisdictions and the costs of complying with overseas legal requirements.

## 17. Further assistance

If you have any further questions about the Offer, please contact your broker or financial, investment or other professional advisor before making your investment decision.

8.2 - If your application is scaled, your application monies will be greater than the value of the New Shares you will be allotted. The difference will be refunded to you either by direct credit to your bank account (if those details are held by the Share Registrar) or by cheque mailed within 5 Business Days of the Allotment Date. No interest will be paid on any application monies returned to you.
