

FOR IMMEDIATE RELEASE
1 April 2022

Mr. Rick Christie to continue as non-executive director

ikeGPS Group Limited (ASX/NZX:IKE) or IKE, the company setting the standard for collecting, managing and analysing pole and overhead asset information for electric utilities, communications companies and their engineering service providers, is pleased to advise that Mr. Rick Christie, non-executive independent director and former Chair, will continue on the IKE Board. This is an update to the announcement October 2021 that Mr. Christie had intended to stand down from the Board 31 March 2022.

Mr. Alex Knowles, IKE Chair, commented "We are delighted that Rick is able to continue to serve on the Board. There is very strong momentum in the business today, and he has been an integral part of the company's growth strategy."

IKE's financial year concluded 31 March 2022. IKE will provide a Q4 and FY22 performance update 3 May 2022, with full financial statements expected to be released 31 May 2022.

ENDS

About ikeGPS

We're IKE, the PoleOS Company. IKE seeks to be the standard for collecting, analysing and managing pole and overhead asset information for electric utilities, communications companies, and their engineering service providers.
